**Subject:** Broan

**A telephone conf. is fine.**

**Regarding your letter, check your expert report. Choudek says that components were consumed in the fire but fan has characteristics consistent with 663/688. Hardly an identification. But lets talk to Magistrate Graham, that would be fine. How about tomorrow or Friday. Also, feel free to call me 612-216-0016.**

**-Bill**
